Race Results:

In order for the results to be included in the World Cup point calculation data base, the Event Liaison Officer shall send the events results by email in a standard specified and agreed-on format (format to be included with approval letter sent by IFSS), **within one week** of the conclusion of the event, to the IFSS Accreditation Committee (accreditation@sleddogsport.net) who will be responsible for calculating and publishing results on the Internet.

If race results are not submitted in an acceptable format within a reasonable period of time, the event may risk future accreditation.

Microsoft Excel software is the required format for sending race results.

At a minimum, results must contain these details:

Competitor's first name and competitor's family name in this order in one single column

DID Number

Total racing time in the required format

Country of citizenship

Class - Class abbreviations may be used as are used in this application, shown below.

Rank (place, 1st, 2nd, etc.).

Additional information at top of each worksheet or spreadsheet must contain

Race Name

Race Location

Race Dates

Cancellation

If an event is cancelled due to weather conditions, or if there are fewer than five competitors in a class the Accreditation Committee must be informed within five days of the event.

Advertising your Race

*****IMPORTANT*****

If the race is advertised as an IFSS accredited event, IFSS requests that the following wording be used in any specific advertising designation or claim:

IFSS Accredited Event or

IFSS World Cup Race or

IFSS World Cup Event

The wording must be used in full and cannot be used in any other form or way unless approved by IFSS. You may request the IFSS logo from IFSS (executivedirector@sleddogsport.net) or (vp.sport@sleddogsport.net) if you wish to use it in the advertising and promotion of your race. If your race has a website, IFSS requests that you have a link on it to the IFSS website (www.sleddogsport.net).
